

Sermon Notes

Lectio Divina Has three areas we think about when meditating on scripture. Our _____, our _____ and our _____.

During today's Lectio Divina Romans 12:1-8:

First Reading (heart):

What word or phrase stood out to you from the passage:

What emotions, thoughts or ideas did it bring to mind?

Second Reading (head):

What does the word or phrase you have chosen mean to you today?

Third Reading (hands):

What is God calling you to do or be as a result of this word or phrase?

Try doing these three readings in the Lectio Divina style this week:

Tuesday: Psalm 23

Thursday: John 14:1-7

Saturday: 1 Corinthians 13:1-13
